Guilhem Kirby

Guilhem Kirby graduated in 2018 with a Bachelor in Theatre Studies and Music from the University of Guelph (UofG) and is excited to be part of the acting community in Toronto and Canada at large. Guilhem has been a performer as long as he can remember, starting out at a young age with Guelph Youth Singers, moving on to the Integrated Arts Program at Eastwood Collegiate, and continuing on to post-secondary in acting and performance studies. In mid-2020, he moved to Toronto and has been continuously involving himself in the film industry. He partook in acting classes at the Dirt Underneath with Shaun McComb, which has given him the preparation and experience to act in front of the camera. Additionally, Guilhem has studied improv with Second City, has started working with Diamond Tooth Gerties Music & Gambling Hall in Dawson City, Yukon and is participating in online voice lessons with Marion Samuel-Stevens, a professor at the UofG. As of now, Guilhem is keeping himself busy by putting together footage for his demo reel, updating his headshots, recording self-tapes, and attending zoom auditions for local independent films. So far, he has acted in commercials, reenacted in documentaries, and modeled in photoshoots for restaurants across Toronto. In 2021, Guilhem hopes to continue to market himself across the Toronto acting community and gain life-long partnerships and friendships with actors and producers alike!
