

Helpful Kiwanis Festival Registration Info

Parents **MUST** complete the registration for participants under 18 years of age.

The Registration link will take you to a sign in page. If you registered in the last two years, enter your email address and password (you can reset your password if it has been forgotten). If this is your first time registering, click **Sign Up Now** at the bottom of the page and use your email address to set up a new account. You will be sent a confirmation number in your email that must be entered to validate your email address. You will then need to create a password. Please remember your login info and keep it in a safe place. You may need to log in again later to update any pieces you listed as TBA.

You will be able to create contact information for multiple children in your family and can include their own email addresses during the registration process. Once you have entered all the entry data for them, you can pay for all of them in one easy step. We are accepting credit card payments through Stripe, payment by *Interac* e-Transfer, or send us a cheque in the mail.

This is the information you will need to register each piece. Ask your teacher for help or download the Syllabus from our website. An example is included in italics.
