

# **Jr. & Int. Piano Adjudicator – Chloe Weston**

Chloe Weston is a Canadian classical pianist from North Bay, Ontario who thrives with effervescent energy on stage sharing her love of music with audiences. A creative artist always excited about the next project she can create with friends - Chloe is on a heart-centered mission to share art and creativity with others through music - conjuring the magic of a shared, suspended moment in time together through live performance. Her compelling performances as soloist, chamber musician and collaborative pianist are driven by this pursuit for connection with others. Her musical endeavours collide with her “artist” spirit and pursuit to connect across boundaries through her work as a teaching artist. Chloe is dedicated to curating music education and performance in communities close to home and abroad. She has travelled to perform across Canada, the United States, Germany, France, Italy and Spain.

Chloe’s musical journey began with ballet, Disney and musical theatre, but the piano and its vast possibilities captivated her at age 10 and it has become her lifelong companion. The endless opportunities to learn and explore through the world of music are so exciting and drive her to continue on her artistic path.

Chloe holds degrees in solo piano performance from the Jacobs School of Music at Indiana University and the Don Wright Faculty of Music at Western University. She has participated in masterclasses and festivals across the globe that have further enriched her musical knowledge and have given her the privilege to learn from many wonderful mentors and collaborators.
